# THE 2019 NJSOP PARTNERSHIP PROGRAM

**New Jersey Society of Optometric Physicians**  
4 AAA Drive, Suite 204  
Hamilton, New Jersey 08691  
Phone: 609.323.4012 Fax: 609.323.4014  
www.njsop.org

# PARTNERSHIP PROGRAM OVERVIEW

The NJSOP Partnership Program was created after industry suppliers and vendors requested a way to better support the Society and reach its members. The program is designed so that companies can choose the level of exposure that best suits their needs and goals. The corresponding benefits at each of the four levels allow participating vendors to more effectively generate personal and familiar relationships with New Jersey's licensed optometric physicians in the following ways:

## FACE TIME

Each of the four levels of partnership include exhibit space at one or more of the NJSOP's four annual continuing education events. Partners are given prominent placement in the exhibit hall and their names and logos are included on signage throughout the meeting venue.

## FOLLOW-UP

NJSOP partners at the Diamond, Gold, and Silver levels receive an advanced copy of the attendee list prior to and during each event at which they exhibit, allowing them to follow up with the attendees they met face to face; an invaluable tool for maintaining and growing business relationships.

## FREQUENCY

Keeping in touch with NJSOP members between events and meetings is easy for our partners thanks to benefits like email blasts, corporate stuffers, social media posts, and ads in both of our publications. Partners can use these benefits to do everything from introducing new products and highlighting available resources to announcing an exhibit booth special or event raffle.

# 2019 NJSOP EVENT DETAILS
