**The Dr. Leslie Mintz Scholarship** is awarded annually to an optometry school students who possess academic excellence, financial need, and the desire to serve the profession of optometry as did Dr. Leslie Mintz. The amount of each scholarship award can fluctuate based upon the yearly performance of the scholarship endowment fund.

**The Richard J. Favreau, OD Health Foundation** serves as a catalyst for ideas, partnerships, and programs that improve the health and quality of life of at-risk populations in New Jersey. This is achieved by concentrating efforts on funding programs which increase public awareness and provide services to expand eye health and vision care access, ultimately enhancing the qualirt of life for our target populations.
