Your Path To Powering Up Your Practice | Six-Part Series

Strategic Guide And Tactical Checklist For Optimizing Your Recovery

HEA's *Recovery Reboot: Your Path To Powering Up Your Practice* is a six-part download and video series developed to serve as a guide in the weeks leading up to and following your reopening.

Each issue includes both high-level business strategies and practice management tactics to help you not only reopen successfully in the short term but to also implement new tools to enhance revenue and diversify in the long term.

Don't Miss A Single Issue Of HEA's Six-Part Download And Video Series

Each *Recovery Reboot* guide features checklists in key areas such as business strategies, physical space, staff, patients and vendor partners, along with simple steps to follow and suggested timeframes for implementing each step.

New checklists each week!
